OUR DECLARATION OF PRINCIPLES

We believe that in essentials there is unity, in non-essentials liberty, and all things charity.

We affirm that "An honest man is the noblest work of God."

We Scorn not to receive instruction from the humblest object that offers us a lesson.

We believe that a man's life, consisteth not in the abundance of things he possesseth, but in the right use of God's blessings.

The higest object of our order is to develop a better and higher manhood and womanhood among ourselves.

United by the strong and faithful tie of agriculture we mutually resolve to labor for good of our order, our country and mankind.
